Dear Michael,

Energy projects in East Suffolk

Thank you for your letter of 3 January on the energy projects planned in East Suffolk, and for your request that these be jointly investigated by the Environment, Food and Rural Affairs Committee and the Business, Energy and Industrial Strategy Committee.

The Environment, Food and Rural Affairs Committee scrutinises the Department for Environment, Food and Rural Affairs' expenditure, policy and administration. It is unable to champion individual causes or become involved in disputes of a local or regional level. For that reason, I feel this matter would be better raised with your local Member of Parliament. I have forwarded your correspondence to Dr Thérèse Coffey MP who I'm sure will be able to advise you.

*Yours Sincerely
Neil Parish*
