

ANNEX 1 - BADGER SETTS IN FRISTON

Map based on Scottish Power Renewables proposed onshore substation site, which is just north of the village of Friston.

Sett 1 is in a wooded pit slightly to the west of Footpath 6 heading north from the village of Friston.

Sett 2 is on the boundary hedge of Grove Road and the adjacent western field. The extent of the sett is best viewed from within the field.

Sett 1

Sett 1 above. Sett 2 below.

Sett 2 along boundary with Footpath 7.

Sett 2 Hedge boundary with Grove Road
